Dear Friends,

The Veterans Association of Easttown & Tredyffrin Townships will be hosting the 11<sup>th</sup> Annual Malvern Federal Savings Bank ***Berwyn Victory Run*** again this year on ***Saturday, May 19, 2012***. The 5K Run has proven to be a popular community event. The 2011 Victory Run had more than 200 participants. In addition, more than 50 children took part in the “Kid’s Run.”

The Veterans Association sponsors this event each year to raise awareness of the contributions and heroics of all veterans who served our country. The Memorial is dedicated to those veterans who have lived and worked in Tredyffrin and Easttown Townships. In September 2009 we were able to complete the first phase of a Tredyffrin Township Memorial with the raising of a Garrison Flag in Wilson Park. We are continuing to invest in areas where we can directly support local veterans from Easttown & Tredyffrin Townships.

Please continue supporting our effort to honor veterans, their dedication and sacrifice. We are looking for financial contributions for sponsorships at all levels, gift certificates for prizes and of course, your presence at this community event as a runner, volunteer, or cheering crowd. More information about our organization and events can be found at [www.berwynveteransmemorial.com](http://www.berwynveteransmemorial.com).

We are very excited about the Berwyn Victory Run on May 19, 2012 and hope you will help us with a contribution of support. Feel free to contact me if you have any questions or suggestions.

Best regards,

Bill Bellew  
The Veterans Association of Easttown & Tredyffrin Township
